Touch

Little Mix

You and I and nobody else Feeling feelings I've never felt The way you got me under your spell Don't you keep it all to yourselfSo won't you take it? I feel like for the first time I am not faking Fingers on my buttons and now you're playing

Master of anticipation, don't you keep it all to yourselfJust a touch of your love is enough

To knock me off of my feet all week

Just a touch of your love, oh

Just a touch of your love, oh

Just a touch of your love is enough

To take control of my whole body

Just a touch of your love, oh

Just a touch of your love, oh

Just a touch of your love is enough

To knock me off of my feet, all week

Just a touch of your love, oh

Just a touch of your love, oh

Just a touch of your love is enough

To take control of my whole body

Just a touch of your love, oh

Just a touch of your love, oh

Photograph with no T-shirt on

Why you making me wait so long?

(Wait so long)

I promise to keep this a secret, I'll never tell But don't you keep it all to yourselfSo won't you take it? I feel like for the first time I am not faking Fingers on my buttons and now you're playing Master of anticipation, don't you keep it all to yourself (To yourself)

Just a touch of your love is enough

To knock me off of my feet all week

Just a touch of your love, oh (Just a touch)

Just a touch of your love, oh (Just a touch)

Just a touch of your love is enough

To take control of my whole body

Just a touch of your love, oh (Just a touch)

Just a touch of your love, oh (Just a touch)

Just a touch of your love is enough

To knock me off of my feet all week

Just a touch of your love, oh

Just a touch of your love, oh
Just a touch of your love is enough
To take control of my whole body
Just a touch of your love, oh

Just a touch of your love, heyAnd now my whole week, my whole week is golden Can you see me glowing? That's how I feel

And I'm not afraid to fade into emotions

'Cause I know that this could be something realJust a touch of your love is enough

To knock me off of my feet all week

Just a touch of your love, oh

Just a touch of your love, oh (Just a touch)

Just a touch of your love is enough

To take control of my whole body

Just a touch of your love, oh (Only a touch of your love)

Just a touch of your love, oh (Want a touch of your)

Just a touch of your love is enough

To knock me off of my feet, all week

Just a touch of your love (Just a touch)

Just a touch of your love (Just a touch)

Just a touch of your love is enough

To take control of my whole body

Just a touch of your love, hey!

Just a touch of your love, hey!

Just a touch of your love
