## I Got Away with You

## **Luke Combs**

Well I got caught in Panama City Tryin' to buy some beer for some Georgia girls And I got wore out by my daddy For stealin' cigarettes from the Smokes and more And all my friends would get away Seems I'd get caught, plain as day I look the blame for every little thingBut I got away with you

And somehow I still ain't been found out

It's a crazy truth

Like I strolled out the gates of Alcatraz

And I walked in the Louvre

And the Mona Lisa's hanging in my house

I bust out of Buckingham with the crown jewels

And I got away with you

Well lookin' like you do

On its damn own, should be a crime

Let alone a fool like me

Hand in hand with you, should be doin' time

But here we are runnin' free

Guess someone turned the other cheek

'Cause there ain't no blue lights in the rear viewGuess I got away with you

And somehow I still ain't been found out

It's a crazy truth

Like I strolled out the gates of Alcatraz

And I walked in the Louvre

Now the Mona Lisa's hanging in my house

I bust out of Buckingham with the crown jewels

And I got away with youI'll take it all, the fails, the falls

The county jails and one phone calls

I'do it all again if I had to

'Cause I got away with you

Somehow girl, I still ain't been found out

It's a crazy truth

Like I strolled out the gates of Alcatraz

And I walked in the Louvre

Now the Mona Lisa's hanging in my house

I bust out of Buckingham with the crown jewels

And I got away with you

When I got away with you

Yeah, I got away with you
