Wildfire

John Mayer

River's strong you can't swim inside it We could string some lights up the hill beside it Tonight the moon's so bright

You could drive with your headlights out

'Cause a little bit of summer's what the whole year's all aboutYou look fine, fine, fine

Put your feet up next to mine

We can watch that water line

Get higher and higher

Say, say, say

Ain't it been some kind of day

You and me been catching on

Like a wildfire

Don't get up just to get another

You can drink from mine

We can't leave each other

We can dance with the dead

You can rest your head

On my shoulder if you want to

Get older with me

'Cause a little bit of summer makes a lot of historyAnd you look fine, fine, fine

Put your feet up next to mine

We can watch that water line

Get higher and higher

Say, say, say

Ain't it been some kind of day

You and me been catchin' on

Like a wildfire

I got a rock from the river in my medicine bag

Magpie feather in his medicine bagSay, say, say

Ain't it been some kind of day

You and me been catchin' on

Like a wildfire
