

No Reason to Quit

Merle Haggard & Willie Nelson

There's a circle of people
Where I'm no longer welcome
And I'm ashamed to say
That I'm no longer fit I could sober up tomorrow
And face my friends again
But I've got
No reason to quit I've got no reason for living right
And there's no other way to forget
I know down deep inside me I'm man enough to change
But I've got no reason to quit
I've got no reason for living right
And there's no other way to forget
I could sober up tomorrow and face my friends again
But I've got no reason to quit
No, I've got no reason to quit
