

Deep (feat. N'Dambi)

Snarky Puppy

What does it mean when I start to cry
When we're making love, do you think that I
Could tell you how you make me feel
Could you handle it 'cos this love be real Y
et I won't impose my thoughts on you
But I know you know and you feel it, too
These are my thoughts my soul to keep
It's just that much too deep Loving you is deep, so deep
I can't get my sleep, so deep
You know I can't even eat, so deep
Loving you is deep, um hm... (yeah)
Said I can't explain what you do to me
Said I'm in a trance, like 1, 2, 3
You must be my muse inspired I be
To know the good in all I see
And if we be love, then love we be
You are my soul and you know you know me
You are my heart, my heart desire
Baby take me higher You know you're just too deep
Put your lovin' arms around me baby, baby, baby, baby
Put your lovin' arms around me baby, baby
Put your lovin' arms around me baby, baby, baby, baby
Put your lovin' arms, put your lovin' arms
Put your lovin' arms around me
