

Somewhere Somehow

Michael W. Smith & Amy Grant

Standing in our silence
I hear my heart beating
And if only I could choose
I'd stay here with you
But hold me til the train is leaving Somewhere down the line
After you're gone from sight
Our love will be the same
And whispering your name
I'll cling to you with all my might Let me dream (But it's true)
Of you
And wake me up (Love will be there)
When this is over and
Somewhere far beyond today
I will find a way to find you
And somehow through the lonely nights
I will leave a light in the dark
Let it lead you to my heart There's a love inside us (Deep down inside)
That goes without saying (Don't say a word)
But I'll tell you just the same
And that love will fan the flame
And that flame will warm the heart that's waiting You are mine (You are mine)
And I'll wait for you my love (It may take some time)
Even if it takes a lifetime (Tell me you'll wait) Somewhere far beyond today
I will find a way to find you
And somehow through the lonely nights
I will leave a light in the dark
And somewhere along (Somewhere alone)
I will be praying you (Praying me home)
I know that (I know that) somewhere our love
Our love will lead me to your arms Somewhere far beyond today
I will find a way to find you
And somehow through the lonely nights
I will leave a light in the dark
Let it lead you to my heart
Let it lead you to my heart
Let it lead you to my heart
