

Basement (feat. Jessie Reyez)

Russ

[Intro: Russ]

Yeah

Mm, yeah yeah

Yeah yeah, yeah yeah [Chorus: Russ]

Love me like I'm still in the basement (yeah)

Love me like I still haven't made it (yeah yeah)

Who are you if you ever give up? (yeah yeah)

What's real love without slip ups? (hey)

[Verse 1: Russ]

I been drinkin' 'til I can't see any red flags

(I ignored your faults)

'Nother couple shots I'm probably gonna text back

(I ignored your faults)

These other women, something's missin'

When I fuck 'em, barely touch 'em

When I fuck you, we be kissin'

Oh, oh, oh, oh, I

(I ignored your faults) [Chorus: Russ]

Love me like I'm still in the basement (yeah)

Love me like I still haven't made it (yeah yeah)

Who are you if you ever give up? (yeah yeah)

What's real love without slip ups? (hey)

[Verse 2: Jesse Reyez]

Love me like your momma doesn't hate me

I ignored your faults

Ain't you say all your friends say that they rate me?

But I ignored your faults

And now these new ones I ain't used to

They be tryna do what you do but they missin'

'Cause they shit ain't LOE

I heard your momma talkin' like she blames me

But you know this is your fault [Bridge: Russ & Jesse Reyez]

Just tryna get you closer

Yeah fuck you and your closure

So I ignored your faults

I tell you to come over

Don't care that I'm not sober

Just ignore my faults [Chorus: Russ]

Love me like I'm still in the basement (yeah)

Love me like I still haven't made it (yeah yeah)

Who are you if you ever give up? (yeah yeah)

What's real love without slip ups? (hey) [Outro: Russ & Jesse Reyez]

Just tryna get you closer
Yeah fuck you and your closure
So I ignored your faults
I tell you to come over
Don't care that I'm not sober
Just ignore my faults
