

Entertaining Angels (Step Up to the Microphone)

Newsboys

One to another
Do you remember me?
I feel so small
Well are you list'in to tonight
So temporary
The things that I have seen
I ran so far
Will you take me back againEntertaining angels
By the light of my TV screen
24-7 you wait for meEntertaining angels
By the time I fall to my knees
Host of heaven, sing over me
One to another
The feelings in between
I won't let go
Of all you taught me - alright
Close as a brother
The way we used to be
I'll hold my breath
And I'll wait for you to breathEntertaining angels
By the light of my TV screen
24-7 you wait for meEntertaining angels
While the night becomes history
Host of heaven, sing over meEntertaining angels
By the light of my TV screen
24-7 you wait for me
Entertaining angels
By the time I fall to my knees
Host of heaven, sing over meEntertaining angels
By the light of my TV screen
24-7 you wait for meEntertaining angels
While the night becomes history
Host of heaven, sing over meEntertaining angels
By the light of my TV screen
24-7 you wait for meEntertaining angels
By the time I fall to my knees
Host of heaven, sing over meEntertaining angels
By the light of my TV screen
24-7 you wait for me...
