

I Found You

benny blanco & Calvin Harris

[Verse: Calvin Harris]

I cannot say what I'm feeling

If I don't know how to move

I cannot say what I believe in

Finally believe in you

I travelled many roads

And I know what road to choose

Now my world is never changing

There's anything I can do [Chorus: Calvin Harris]

'Cause I found you

I found you

'Cause I found you

I found you

'Cause I found you

'Cause I found you

[Verse: Calvin Harris]

I cannot say what I'm feeling

If I don't know how to move

I cannot say what I believe in

Finally believe in you

I travelled many roads

And I know what road to choose

Now my world is never changing

There's anything I can do [Chorus: Calvin Harris]

'Cause I found you

I found you

'Cause I found you

I found you

'Cause I found you

'Cause I found you

I found you

[Bridge]

I found you, I found you

I found you, I found you

I found you, I found you

I found you, I found you [Chorus: Calvin Harris]

'Cause I found you

I found you

'Cause I found you

I found you

'Cause I found you

'Cause I found you
