Made in France (feat. Tchami, Malaa & Mercer)

DJ Snake

Before we get started

Before we get started

Before we get startedBefore we get started

Before we get started

Before we get started

Before we get startedBefore we get started

Before we get started

Before we get started

Before we get startedBefore we get started

Before we get started

Started, started-Yo, before we get started

I wanna know one thing We get started Yo We get started Yo, before we get started

Before we get started

Before we get started

Before we get startedBefore we get started

Before we get startedBefore we get started

Before we get started

Before we get started

Before we get started (I wanna know one thing)

Started, started-Yo, before we get started

I wanna know one thingWe get startedYoWe get started
