

# Ready (feat. Chris Brown)

## Fabulous

And baby we don't need a bed, no  
Don't need a master room, don't need to set the mood  
She like, "Yeah, yeah"  
One touch one touch, she gon' give me all the love  
She's ready, so ready  
She ready, so I'm ready  
I feel it comin' on strong, you're so heavy  
She ready, I'm ready I hear if you stay ready, you ain't gotta get ready  
Call you when I get there, you just get your shit wetty  
Oops I mean your shit ready, can't believe I said that  
Least you know where my head at, now shorty where your head at  
She gon' dive in head first, school me like the board of ed  
She do it then we do it so she can say she thought ahead  
Laid up in that all day, can't get out that waterbed  
Talk nasty for ya boy, silent treatment for the feds  
No cup for the thirsty, she bad as controversy  
Skin-tone like Hershey, body Lord have mercy  
Yeah if this thing were a car, it'd be a Lamborghini Mercy  
Maybe I'm too fast, girl say she  
And baby we don't need a bed, no  
Don't need a master room, don't need to set the mood  
She like, "Yeah, yeah"  
One touch one touch, she gon' give me all the love  
She's ready, so ready  
She ready, so I'm ready  
I feel it comin' on strong, you're so heavy  
She ready, I'm ready Talkin' 'bout you born ready, talkin' 'bout it's on deck  
Talk a good one on text, you say you 'bout it I'm gon' check  
I put some kisses on neck, let me warm that engine up  
Relax when the tension's up, girl you just call your nigga up  
And I pop up in that all black and kill that  
See I'm dressed appropriate, you got to feel that  
Feel that? (I feel that)  
That's that love comin' down  
For the brain, I'm dumbin' down, we on swole when she come around  
Need ice to numb it down, night stick to beat it up  
Rodney King that teen girl, can't we all just get along?  
You could get along, you already know, but is you ready though?  
And baby we don't need a bed, no  
Don't need a master room, don't need to set the mood  
She like, "Yeah, yeah"  
One touch one touch, she gon' give me all the love

She's ready, so ready  
She ready, so I'm ready  
I feel it comin' on strong, you're so heavy  
She ready, I'm ready If you are a bad one, be ready (Be ready)  
Two times for my niggas, we ready (We so ready)  
Pretty ladies in the V.I. and they ready (They so ready)  
I'm feelin' good, feeling good, I'm ready (I'm ready, yo)  
Left a girl in the back, she ready (She so ready)  
We don't know how to act, we ready (Cause we're ready)  
And we can't wait to get home (If you're ready, come on) And baby we don't need a bed, no  
Don't need a master room, don't need to set the mood  
She like, "Yeah, yeah"  
One touch one touch, she gon' give me all the love  
She's ready, so ready  
She ready, so I'm ready  
I feel it comin' on strong, you're so heavy  
She ready, I'm ready
