

Leaving (Always On Time, Pt. 2)

Ashanti

If you were me, what would you do?
Always a lie, and never the truth
Now as for me, I'm moving on
You'll always be my babyBaby, I just got to let you go for now
Thought I could take it for a while
Maybe you'll make it back around
Baby, I just got to live my life for now
Can't see me changing for a while
Hope I could make it back aroundAnything that I want I can get it boy
You know you turn me on and on
That's why I switch my frame of mind
Of being there when you call, always on time
I'm looking to spread my wings and party
From everything and for everybody
Need my space, my time alone
It's like our hearts don't match no moreStill everything that you want
You could get it, boy
You know I still got love for you
In court I plea the fifth, my babyBaby, I just got to let you go for now
Thought I could take it for a while
Maybe you'll make it back around
Baby, I just got to live my life for now
Can't see me changing for a while
Hope I could make it back aroundWhen you was cheating
You was probably thinking I won't sense a thing
But love got funny way of catching up to lies
And your lies can't look me straight in the eyes
I'm not surprised
That you would hurt me baby
But why me baby?
Just let me breathe and I'll fly free babeIf you were me, what would you do?
Always a lie, and never the truth
Now as for me, I'm moving on
You'll always be my babyBaby, I just got to let you go for now
Thought I could take it for a while
Maybe you'll make it back around
Baby, I just got to live my life for now
Can't see me changing for a while
Hope I could make it back aroundYo, yo, why in the world would you wanna leave me girl?
Is there something I feel
That you feel is better then what's here at home?
And I know a bitch could do bad on her ownYou're not alone, the way you hurt me baby

Shit, why me baby?
I be in pain a little but I know that love is real
And as long as it let you go That you feel the need to come back to me baby
Who else would hold you and sex you crazy?
R U L E, come on back holla at me baby Baby, I just got to let you go for now
Thought I could take it for a while
Maybe you'll make it back around
Baby, I just got to live my life for now
Can't see me changing for a while
Hope I could make it back around Baby, I just got to let you go for now
Thought I could take it for a while
Maybe you'll make it back around
Baby, I just got to live my life for now
Can't see me changing for a while
Hope I could make it back around If you were me, what would you do?
Always a lie, and never the truth
Now as for me, I'm moving on
You'll always be my baby
