

# No Name No. 5

[Elliott Smith](#)

Got bitten fingernails and a head full of the past  
And everybody's gone at last  
A sweet sweet smile that's fading fast  
'Cause everybody's gone at last Don't get upset about it  
No not anymore  
There's nothing wrong  
That wasn't wrong before Had a second alone with a chance let pass  
And everybody's gone at last Well I hope you're not waiting  
Waiting around for me  
Because I'm not going anywhere, obviously  
Got a broken heart and your name on my cast  
And everybody's gone at last  
Everybody's gone at last
