

Party People (feat. T.I.)

N.E.R.D

What I need, what I need is that girl down! Tonight, let's get bright!
Let's find our way,
And let's get blind!
Yeah! What I need, what I need is that girl down! Come on and find your place,
And let's get party! Party people!
Party people!
We gonna get down!
Down, down, down!
Down, down, down! Tonight, the is high!
I'll show you a better place,
And hold you tight!
Here we go!
What I need, what I need is that girl down! Party people!
Party people! We gonna get down!
Down, down, down!
Down, down, down! What I need, what I need is that girl down! The beat is strong!
Aha, aha!
Remember to feel!
Aha, aha!
Open your eyes!
Aha, aha!
Cause this is real!
Aha, aha!
Your body grooves,
Aha, aha!
This is real!
What I need, what I need is that girl down! Party people!
Party people!
We gonna get down!
Down, down, down!
Down, down, down
