

# The First Time

## Surface

You know I won't forget the times we shared together holding hands  
and walking in the park  
Sometimes we'll have to do it all again  
We were so happy then  
I've no regrets  
Can't you tell from the look on my face that I love you more today  
The first time I looked into  
your eyes I cried  
Do you remember the first time we fell in love  
You looked into my eyes  
Wiped the tears away  
The first time when we fell in love  
Although some time has passed  
I still remember just like it was yesterday  
The time is moving fast  
The love I have for you  
Time won't ever change  
I always feel the same  
Now until the end  
Memories we share will live forever  
Deep inside my heart I know I'll never forget.  
The first time I looked into your eyes I cried  
Do you remember the first time we fell in love  
You looked into my eyes  
Wiped the tears away  
The first time when we fell in love  
Music Bridge  
The first time I looked into your eyes I cried  
Do you remember the first time we fell in love  
You looked into my eyes  
Wiped the tears away  
The first time when we fell in love  
Oh when we fell in love
