Lovin' Ya Boy

Changing Faces

There's no need
There's no need to worry
I'm here for you[1:]
Lovin' ya boy there's nothin' else I'm gonna tell ya
Lovin' ya boy that's all I have to say
Lovin' ya boy there's nothin' else I'm gonna tell ya
And my love is here to stay (to stay)There's no need for you to hurry (take your time) whoa
Cause I trust and I know what you want is me
A love like this ain't easy to come by
So let's hold on to it
And cherish our days together
Listen to me...
[1]See like I told ya before
And I will say it again
When things are good
They only get better my friend
My lover, my confidant, my all-around man
So let's hold on to it
And this love will last forever
Listen to me[2:]
You're the one
Baby can't you see
You're love to me just means everything to me
And it's amazing that you're all I mine
And I know now or forever
I'll never let you go[1]
Lovin' ya boy
There's nothing I won't do for you baby
Lovin' ya boy
I'm loving you and only you
Lovin' ya boy
Whew
Lovin' ya boy[2][1: till end]
