

# Underappreciated

Christina Aguilera

I remember when it all first began  
We were tight right from the start  
It wasn't long before you came on strong  
Trying hard to win my heart (trying to win it) I played hard to get but I couldn't help  
Givin' up my heart in the end  
You were thoughtful  
Careful not to hurt the relationship What happened to those days  
When you used to be compassionate  
Caring what I thought and said  
So attentive gentleman  
Now it's hard to turn your head away from the TV set  
Taking me for granted lately  
And frankly, it's gotta quit  
Chorus:  
I feel underappreciated  
Now girls help me out  
If you know what I'm talking about  
I said  
I'm feeling underappreciated  
For all the time and effort  
I have put in this commitment Back to the beginning, to the very beginning  
When our love was something new  
Back when romance was important  
Not just another thing to do  
I was feeling high on loving life  
Thought I'd never come back down  
Now it seems that you and me  
Have lost our solid ground  
Half the time I realize  
I seem to give more than I get (give more than I get)  
Funny how things seem to change  
After a few years commitment (commitment) Used to talk for hours on end  
About our dreams while we lay in bed  
How I missed those days when you stayed awake  
Now you roll over and snore instead (Chorus) I miss those nice massages  
The long phone calls  
And the way you talk  
How it turned me on  
Miss the bubble baths  
Had the sweetest laughs I'm needing those days back (Chorus) I feel (I feel underappreciated)  
Oh yeah,  
If you feel me sing it with me

Come on help out(I'm feeling underappreciated)

Yeah, yeah, yeah
