

# He Wasn't Man Enough

Toni Braxton

Darkchild yeah, oh yeah  
Toni Braxton, oh  
Ha-ha, uh-huh  
Yeah, uh, uh  
Darkchild yeah  
Listen girl, who do you think I am?  
Don't you know that he was my man?  
But I chose to let him go  
So why do you act like I still care about him?  
Looking at me like I'm hurt  
When I'm the one who said I didn't want it to work  
Don't you forget I had him first!  
What you thinkin', stop blaming me  
He wasn't man enough for me  
If you don't know now here's your chance  
I've already had your man  
Do you wonder just where he's been, yeah  
Do not be worried about him  
Now it's time you know the truth I think he's just the man for you  
What are you thinking?  
Did you know about us back then?  
Do you know I dumped your husband, girlfriend?  
I'm not thinking 'bout him, but you married him  
Do you know I made him leave  
Do you know he begged to stay with me  
He wasn't man enough for me  
Listen girl, didn't he tell you the truth?  
If not then why don't you ask him  
Then maybe you can be more into him, Instead of worrying about me  
And hopefully you won't find  
All of the reasons why his love didn't count  
And why we couldn't work it out  
What you thinkin', stop blaying me He wasn't man enough for me  
If you don't know now here's chance  
See I've already had your man  
Do you wonder just where he's been, yeah  
Do not be worried about him  
Now it's time you know the truth  
I think he's just the man for you  
What are you thinking Did you know about us back then  
Do you know I dumped your husband, girlfriend  
I'm not thinking 'bout him, but you married him

Do you know I made him leave  
Do you know he begged to stay with me  
He wasn't man enough for me  
What are you thinking Did you know about us back then  
Do you know I dumped your husband, girlfriend  
I'm not thinking 'bout him, but you married him  
Do you know I made him leave  
Do you know he begged to stay with me  
He wasn't man enough for me  
Oh yeah So many reasons why our love is through, yeah  
What makes you think he'll be good to you, no  
It makes no sense cause he will never change  
Girl you better recognize the game, oh yeah  
What are you thinking  
Did you know about us back then  
Do you know I dumped your husband, girlfriend  
I'm not thinking 'bout him, but you married him  
Do you know I made him leave  
Do you know he begged to stay with me  
He wasn't man enough for me
