

Flicker (feat. The RTE Concert Orchestra)

Niall Horan

When you feel your love's been taken
When you know there's something missing
In the dark, we're barely hanging on
Then you rest your head upon my chest
And you feel like there ain't nothing left
I'm afraid that what we had is gone Then I think of the start
And it echoes a spark
And I remember the magic and electricity
Then I look in my heart
There's a light in the dark
Still a flicker of hope that you first gave to me
That I wanna keep
Please don't leave
Please don't leave
When you lay there and you're sleeping
Hear the patterns of your breathing
And I tell you things you've never heard before
Asking questions to the ceiling
Never knowing what you're thinking
I'm afraid that what we had is gone Then I think of the start
And it echoes a spark
And I remember the magic and electricity
Then I look in my heart
There's a light in the dark
Still a flicker of hope that you first gave to me
That I wanna keep
Please don't leave
Please don't leave And I want this to pass
And I hope this won't last
Last too long
Then I think of the start
And it echoes a spark
And I remember the magic and electricity
Then I look in my heart
There's a light in the dark
Still a flicker of hope that you first gave to me
That I wanna keep
Please don't leave
Please don't leave
