If This World Were Mine

Marvin Gaye & Tammi Terrell

M:
If this world were mine, I'd place at your feet
all that i own
you've been so good to me
If this world were mine
Id give you the flowers the birds and the bee's
and with your love beside me
it would be all i need
If this world were mine
I'd give you anythingT:
If this world were mine, i'd make you a king
with wealth untold, you could have anything
If this were mine
I'd give you each day, so sunny and blue
and if you wanted the moonlight, i'd give you that to
If this world were mine, i'd give you anything
