

Sims

Lauv

I wish that you and I lived in the Sims
We could build a house and plant some flowers and have kids
But we're both out at some trashy Halloween party downtown
And I'll probably never see you again
I wish that we lived on a VHS
I'd erase the things I said and that I probably say again
Hit rewind on all the times I got lost on my head
But I guess I'll never see you again
I'll probably never see you again Ooh, god damn
I wish we would've met on another night baby
Maybe then I wouldna let you leave me
Ooh, god damn
I wish we would've met on another night baby
In another life maybe
In another
I wouldna let you
I wouldna let you
I wouldna let you
I wouldna let I wish that we met walking around the MoMA
Yeah I'd said nice to meet you instead of saying nice to know you
I'd try to impress you with some bullshit about Monet
At least I wouldn't be too drunk to stay
And I wouldn't let you slip away Ooh, god damn
I wish we would've met on another night baby
Maybe then I wouldna let you leave me
Ooh, god damn
I wish we would've met on another night baby
In another life maybe
In another
I wouldna let you
I wouldna let you
I wouldna let you
I wouldna have
I wouldna let you
I wouldna let you
I wouldna let you
I wouldn't have I wouldna let you
I wouldna let you
I wouldna let you
I wouldna let you leave me
