

Crown

Kelly Rowland

I wear my crown
My hair, my, my
My hair, my crown
My hair, my crown
My, my hair, my, my
My hair, my crown It don't matter how I wear it
It's beautiful in every color
Long, short, straight or curly
I love what I see in the mirror, yeah yeah There's no other way I'd rather be
Confidence is all I see
When and whoever I please
Say it loud
I wear my crown
Show it off, go girl
Show it off, go girl
My hair, my crown
Wear it how you want, girl
Show it off, go girl I wear my crown
My, my hair, my, my
My hair, my crown
My hair, my crown
Wear it how you want, girl
Show it off, go girl My hair, my crown
My hair, my crown
My hair, my crown
People gon' talk, always got opinions
Gonna let my hair down, I ain't gotta hear 'em
Ooh, so boss, every time I pull up
Show 'em I'm the realest, realest, realest There's no other way I'd rather be
Confidence is all I see
When and whoever I please
Say it loud I wear my crown
Show it off, go girl
Show it off, go girl
My hair, my crown
Wear it how you want, girl
Show it off, go girl I wear my crown
My, my hair, my, my
My hair, my crown
My hair, my crown
Wear it how you want, girl
Show it off, go girl My hair, my crown

My hair, my crown
My hair, my crown
My hair, my crown We so, fabu-, lous, lous
Look at, look at, us, us
We so, fabu-, lous, lous
Look at, look at, us, us
We so, fabu-, lous, lous
Look at, look at, us, us
We so, fabu-, lous, lous
Look at, look at, us I wear my crown
Show it off, go girl
Show it off, go girl
My hair, my crown
Wear it how you want, girl
Show it off, go girl I wear my crown
My, my hair, my, my
My hair, my crown
My hair, my crown
Wear it how you want, girl
Show it off, go girl My hair, my crown
My hair, my crown
My hair, my crown
My hair, my crown
My hair, my crown
My hair, my crown You better
You better
