F-M-S-T-A-T-I-C
That's the way we do it when we do it correctly
F-M-S-T-A-T-I-C
That's the way we do it when we do it correct
F-M-S-T-A-T-I-C
That's the way we do it when we do it correctly
F-M-S-T-A-T-I-C
That's the way we do it when we do it correct
She hit the ground with the sound
And took off like a missile
I got this fever for the flavor
Of anything in this school
And when it goes down
It goes down I should warn ya
Cuz we won't quit
Til there's a snow day in California
Now throw up your hands like (oh, oh)
And if you do what you can then (oh, oh) Just let go
If you wanna let go
Stop holding on to what you used to be
Cuz yesterday's gone
Though it used to be
Let go if you wanna let go
Just step up and bring it
Don't rethink it
Just put your hands in the air and sing it
F-M-S-T-A-T-I-C
That's the way we do it when we do it correctly
F-M-S-T-A-T-I-C
That's the way we do it when we do it correct
F-M-S-T-A-T-I-C
That's the way we do it when we do it correctly
F-M-S-T-A-T-I-C
That's the way we do it when we do it correct
She hit the room with the boom
That gets so loud it ain't right
We'll throw it down like surround
And make ya hit the brake lights
In the end, though,
I keep my eyes on crescendo
While these cats
Try to play me out like Nintendo
Now throw up your hands like
And if you do what you can then 1, 2, then just let go
If you wanna let go
Stop holding on to what you used to be

Cuz yesterday's gone
Though it used to be
Let go if you wanna let go
Just step up and bring it
Don't rethink it
Just put your hands in the air and sing it
Throw up your hands like
And if ya do what ya can then
Throw up your hands like
And if ya do what ya can then
Throw up your hands like (oh, oh)
And if ya do what ya can then (oh, oh)
Throw up your hands like (oh, oh)
And if ya do what ya can then (oh, oh)
