

Please Forgive Me

Bryan Adams

It still feels like our first night together.
Feels like the first kiss
It's getting better baby
No one can better this.
Still holding on
You're still the one.
First time our eyes met Same feeling I get
Only feels much stronger
I wanna love you longer
Do you still turn the fire on?
So if you're feeling lonely, don't
You're the only one I'll ever want
I only want to make it go
So if I love you a little more than I should
Please forgive me, I know not what I do.
Please forgive me, I can't stop loving you. Don't deny me, this pain I'm going through.
Please forgive me, if I need you like I do.
Please believe me, every word I say is true.
Please forgive me, I can't stop loving you.
Still feels like our best times are together
Feels like the first touch
Still getting closer baby
Can't get closer enough
Still holding on
You're still number one
I remember the smell of your skin
I remember everything
I remember all your moves I remember you yeah
I remember the nights, you know I still do.
So if you're feeling lonely, don't
You're the only one I'll ever want
I only want to make it go
So if I love you a little more than I should Please forgive me, I know not what I do.
Please forgive me, I can't stop loving you.
Don't deny me, this pain I'm going through.
Please forgive me, if I need you like I do. Oh believe me, every word I say is true.
Please forgive me, I can't stop loving you.
The one thing I'm sure of
Is the way we make love
The one thing I depend on
Is for us to stay strong
With every word and every breath I'm praying

That's why I'm saying...
Please forgive me, I know not what I do.
Please forgive me, I can't stop loving you.
Don't deny me, this pain I'm going through.
Please forgive me, if I need you like I do.
Babe, believe it, every word I say is true.
Please forgive me, if I can't stop loving you.
No, believe me, I don't know what I do.
Please forgive me, I can't stop loving you.
I can't stop loving you.
