Please Forgive Me

Bryan Adams

It still feels like our first night together.

Feels like the first kiss

It's getting better baby

No one can better this.

Still holding on

You're still the one.

First time our eyes metSame feeling I get

Only feels much stronger

I wanna love you longer

Do you still turn the fire on?

So if you're feeling lonely, don't

You're the only one I'll ever want

I only want to make it go

So if I love you a little more than I should

Please forgive me, I know not what I do.

Please forgive me, I can't stop loving you. Don't deny me, this pain I'm going through.

Please forgive me, if I need you like I do.

Please believe me, every word I say is true.

Please forgive me, I can't stop loving you.

Still feels like our best times are together

Feels like the first touch

Still getting closer baby

Can't get closer enough

Still holding on

You're still number one

I remember the smell of your skin

I remember everything

I remember all your movesI remember you yeah

I remember the nights, you know I still do.

So if you're feeling lonely, don't

You're the only one I'll ever want

I only want to make it go

So if I love you a little more than I shouldPlease forgive me, I know not what I do.

Please forgive me, I can't stop loving you.

Don't deny me, this pain I'm going through.

Please forgive me, if I need you like I do.Oh believe me, every word I say is true.

Please forgive me, I can't stop loving you.

The one thing I'm sure of

Is the way we make love

The one thing I depend on

Is for us to stay strong

With every word and every breath I'm praying

That's why I'm saying...

Please forgive me, I know not what I do.

Please forgive me, I can't stop loving you.

Don't deny me, this pain I'm going through.

Please forgive me, if I need you like I do.

Babe, believe it, every word I say is true.

Please forgive me, if I can't stop loving you.

No, believe me, I don't know what I do.

Please forgive me, I can't stop loving you.

I can't stop loving you.
