

Halloween

Dave Matthews Band

Hey little dreamer's eyes open and staring up at me
Oh little lonely eyes open and radiantWait until I come and I will steal you
Wait until I come I'll take your soul
Wait until I come and I will steal you
Wait until I come and I won't goDarlin' dreamin in the night
Shadows on the windows
Lead oh and everyone go
Well leave me on the night
I will give you lightning
I will not relinquish lightOh little dreamer eyes open and raving hereWait until I come and see
you little girl
When we come I'll leave with you too
When we come I'll let you come low
Hey we'll leave it all behind
Oh and then the nightmares
I'll fill them in good time
Oh they will seat your mind
When the light hits
And you maybe'll ask meWhy do you run around here
Why do you come inside of me
Why does it rip me out in dream
Why then why then watch this little fuckGoing awayWhy this lonely
Why this lonely
Why this lonely loveWhy this lonely
Why this lonely
Why this lonely love
