Uh oh

Of every magazine but can't nobody get her but me Uh oh there she go  
Can't nobody get her but me Hot damn let me tell ya man  
She look so good imma say it again  
So good that I can't explain  
When she do what she do she gon do her thang  
Over here Miss Lane  
Come on get fly with a Superman  
You ain't gotta worry I won't play no games  
Baby Tonight  
So don't front you know you wanna stay  
It's all good so baby come and play It's Picture Perfect the way you work it girl  
What's your purpose? Cause I deserve it girl  
Before we get into it something crazy  
All ya fellas back up off my lady  
Get you one cause I got that one  
It's the way she wear her clothes  
The beauty of a low  
The definition of a star  
Wanna meet her? You might've seen her on every cover  
Of every magazine but can't nobody get her but me Uh oh there she go

When she break it down she gon do her thang

clothes  
The beauty of a low  
The definition of a star
