

# Gonna Get Caught

[Demi Lovato](#)

You reeled me in with your smile  
You made me melt with your voice  
Now I've been gone now for awhile  
Just to find that I'm your seventh choice  
And I don't wanna pay the cost  
But it be best if you get lost  
Because, we know you'll never change  
Don't say that you need me  
And don't play these games with my mind  
You better get out of my head, 'cause you're wasting your time  
And don't say it's forever  
And don't play, 'cause, you had your shot  
You better stop messing around cause you're gonna get caught  
You'd promise me all of your time  
I guess I'm not the only one  
You see it's my heart on the line this time  
I'm your number one or I'm gone  
Don't say that you need me  
And don't play these games with my mind  
You better get out of my head, 'cause, you're wasting your time  
And don't say it's forever  
And don't play, 'cause, you had your shot  
You better stop messing around cause you're gonna get caught  
Go and try to get me back  
(You won't get me back, you won't get me back)  
I won't forget about our past (I won't forget, no)  
I never had the guts to leave  
Now you're making it (you know you're making it, you're making it)  
Now you're making it much easier for me to see  
Don't say that you sorry  
For breaking every inch of my heart  
I should've known from the start, now it's time to get lost  
And don't say that you need me  
And don't play these games with my mind  
You better get out of my head, 'cause, you're wasting your time  
Don't say it's forever  
And don't play, 'cause, you had you shot  
You better stop messing around, 'cause, you're gonna get caught  
You better stop messing around, 'cause, you're gonna get caught
