

# Sell Out

## Reel Big Fish

"Well I know you can't work in fast food all your life  
But don't sign that paper tonight,"  
She said, but it's too late. And I don't remember what I read  
Don't remember what they said  
I guess it doesn't matter  
I guess it doesn't matter anymore 'Cause you're gonna go to the record store  
You're gonna give 'em all your money  
The radio plays what they want you to hear  
They tell me it's cool  
I just don't believe it  
Sell out with me, oh yeah  
Sell out with me tonight  
The record company's only give me lots of money  
And everything's gonna be  
Alright No more flippin' burgers  
Puttin up my silly hat  
You know I don't want that no more  
And I didnt ask when we get paid  
Quit my day job anyway  
I guess it doesn't matter  
Guess it doesn't matter anymore 'Cause you're gonna go to the record store  
You're gonna give 'em all your money  
The radio plays what they want you to hear  
They tell me it's cool  
I just don't believe it  
Sell out with me, oh yeah  
Sell out with me tonight  
The record company's only give me lots of money  
And everything's gonna be And I don't think it'll be so bad  
And I know it won't be so bad  
'Cause the man said that's the way it is  
And the man said,  
"It don't get better than that."  
No, no, no So I signed on to the record company  
They said they're gonna gimme lots of money  
If I play what they want you to hear  
They tell me it's cool  
and I should believe it Sell out with me, oh yeah  
Sell out with me tonight  
The record company's only give me lots of money  
And everything's gonna be  
Alright Yeah, yeah yeah, yeah yeah

The record company  
Is gonna make everything alright "Baby don't you sign that paper tonight," she said,  
But I can't work in fast food all my life.
