Freedom (feat. Jussie Smollett)

Empire Cast

It's a new generation
Welcome to my love
Yeah
It's a revolution, do what we want
'Cause we must
Ye-yeahI got a brand new perspective
and I don't really
give a damn who knows
So, your hands
darling in my pockets
'Cause I wanna feel
you up in my clothes
'Cause I, I, I, I wanna
love somebody, everybody
Can nobody tell me how to love?
'Cause I, I, I, I wanna touch somebody
give me body, everybody
Call it love and lust, I call itFreedom, freedom
Grab someone you want, singing
Freedom, freedom
Dancing in the dark
Freedom, freedom
Tell me, can you feel the rush?
It's called freedom, freedom
Freedom, freedomOoh, oh oh oh
Come and get you some
Ooh, oh oh oh
pick it up, pick it up
I'ma be honest, I'm loving
the feeling I've found
We're young and I'm fine
With your body I'll take
you down, ye-yeahNo disrespect, but i bet
I'ma make you proud
So, come take a sit in my new ride
Don't mind if i show you around'Cause I, I, I, I wanna
love somebody, everybody
Can nobody tell me how to love?
'Cause I, I, I, I wanna touch somebody
give me body, everybody
Call it love and lust, I call itFreedom, freedom
Grab someone you want, singing

Freedom, freedom
Dancing in the dark
Freedom, freedom
Tell me, can you feel the rush?
It's called freedom, freedom
Freedom, freedomOoh, oh oh oh
Come and get you some
Ooh, oh oh oh
pick it up, pick it up'Cause I, I, I, I wanna
love somebody, everybody
Can nobody tell me how to love?
'Cause I, I, I, I wanna touch somebody
give me body, everybody
Call it love and lust, I call itFreedom, freedom
Grab someone you want, singing
Freedom, freedom
Dancing in the dark
Freedom, freedom
Tell me, can you feel the rush?
It's called freedom, freedom
Freedom, freedomOoh, oh oh oh
Come and get you some
Ooh, oh oh oh
pick it up, pick it up
