Badman

Natty

Street Soldier, patrol the pavement gotta watch my
step when i'm outside the ends late at night.
can't get caught slippin',
cos they might start trippin', don't wanna be a victim dialling 999.
but i don't deal with babylon dem i got a problem,
call up the man dem to come and rectify,
see me i'm a rootsman so more time i don't have a problem
steppin' on another man's roadside.
i'm a badman anyway so don't watch me now
i'm a badman anyways, this is my sound
keep rolling the high grade,
gotta maintain a higher plain when i speak to man like
sellasie i, don't know when i'm gonna see him next
so i stay blessed stickin to philosophy of jah rastafari,
but i'm on the roads tonight,
gotta go on road tonight, hold it down say i,
gotta watch for them spies.
when the sun comes up i'll be making my way downtown, downtown.
i'm a badman anyway so don't watch me now
i'm a badman anyways, this is my sound
every man wanna be a badman walk around town bucki
in the hand, but what type of foolishness man,
what type of foolishness man.
real badman play their own role.
walk the way they talk and stay true to their soul.
don't follow code, don't follow code
no don't follow, don't follow no man's code
no don't follow, i don't follow, don't follow no man's code
i'm a badman anyway so don't watch me now
i'm a badman anyways, this is my sound
i'm a badman anyways, this is my town
i'm a badman anyway so don't watch me now
i'm a badman anyway so don't watch me now
