# Remember the Music (feat. Jennifer Hudson)

## Empire Cast

Follow my hands
I teach you how to play
I'll be patient with you
Someone who is patient with me
AhhThere always be chance that you could hit the wrong note
Everybody could laugh and make you think you won't grow
You don't ever give up, it's not the end of the worldYou live and you learn
Even when you think that times get hard
Temporary hurt
All you gotta do is make that call
I'll be there
Don't be scared
You don't got to lose it
Remember the music
Remember the music
In the past it's been hard as hell
You'll never know how much pain I felt
But everybody got a story to tell
Sometimes you got to face the music and play by yourself
But There always be chance that you could hit the wrong note
Everyone could laugh and they don't wanna hear no moreYou don't ever give up
It's not the end of the world
You live and you learn
Even when you think times get hard
It's temporary hurt
All you gotta do is make that call
I'll be there
Don't be scaredYou don't got to lose it
Remember the music
Remember
It's the answer
Don't you ever forget the music
No
You live and you learn
Even when you think times are hard
It's temporary hurt
All you gotta do is make that call
I'll be there
Don't be scared
You don't have to lose it
Remember the music
