## Red

## **Taylor Swift**

Loving him is like

Driving a new Maserati down a dead-end street

Faster than the wind, passionate as sin

Ending so suddenly

Loving him is like trying to change your mind

Once you're already flying through the free fall

Like the colors in autumn, so bright

Just before they lose it allLosing him was blue like I'd never known

Missing him was dark grey all alone

Forgetting him was like trying to know somebody you never met

But loving him was red

Loving him was red

Touching him was like

Realizing all you ever wanted was right there in front of you

Memorizing him was as easy as knowing all the words

To your old favorite song

Fighting with him was like

Trying to solve a crossword and realizing there's no right answer

Regretting him was like

Wishing you never found out that love could be that strongLosing him was blue like I'd never

known

Missing him was dark grey all alone

Forgetting him was like trying to know somebody you never met

But loving him was red

Oh, red

Burning red

Remembering him comes in flashbacks and echoes

Tell myself it's time now, gotta let go

But moving on from him is impossible

When I still see it all in my head

In burning red

Burning, it was redOh, losing him was blue like I'd never known

Missing him was dark grey all alone

Forgetting him was like trying to know somebody you never met

'Cause loving him was redYeah, yeah, red

Oh, burning redAnd that's why he's spinnin' 'round in my head

Comes back to me, burning red

Yeah, yeahHis love was like

Driving a new Maserati down a dead-end street
