

As Sure as I Am

Crowded House

Make your decision now
Rely on no help from above
Living is luxury I want everything you throw out
I'll do anything you want to Please let me go with you
I'll wear the smile on your face
Big black and beautiful I want it, everything you throw out
There must be something you can do without
(chorus)
Cuz I am as sure as I am
I couldn't care less
For what might go wrong
I'm as happy as sin
In a fear-shaken world I pity the rhino
Down there it's becoming extinct
Killed for a love potion Sad thing lookin' like a dead flower
I want it everything that you throw out (chorus) Don't want to be there
Don't want to be spared I'll wear the smile on your face
I am as sure as I am
I couldn't care less
For what might go wrong
I'm as happy as sin
In a fear-shaken world
I couldn't care less
