## Trippie Redd & PARTYNEXTDOOR

[Intro: PARTYNEXTDOOR]

Oh

Woah, woah, woah [Refrain: PARTYNEXTDOOR]

Sex ain't the only thing that's on my mind

But you get me so excited, woah

Irreplaceable

Tattoos from your neck that drop down to your ankles

Droptop in the Range, shawty, you wanna feel good

I wanna feel good too

Don't I make you feel good?

You get me so excited (Yeah) [Pre-Chorus: Trippie Redd]

Shawty wanna roll with a rockstar

Baby, let's go, we can go far

Yeah, watch the stars and go far

[Chorus: Trippie Redd]

Shawty, your body is so exciting

I love when you get on top and you ride it

Only in your ocean, you call me Ho-seidon

In control of your water, you're lovin' my trident

Shawty, your body is so exciting

I love when you get on top and you ride it

Only in your ocean, you call me Ho-seidon

In control of your water, you're lovin' my trident [Verse 1: Trippie Redd]

Shawty (Shawty), love me forever (Love me forever)

Shawty (Shawty), gotta love me forever, girl

(Gotta love me forever, babe)

Shawty, love me forever, oh

Shawty (Shawty), oh, yeah (Yeah)

[Pre-Chorus: Trippie Redd]

Shawty wanna roll with a rockstar

Baby, let's go, we can go far

Yeah, watch the stars and go far [Chorus: Trippie Redd]

Shawty, your body is so exciting

I love when you get on top and you ride it

Only in your ocean, you call me Ho-seidon

In control of your water, you're lovin' my trident
