Good Enough (feat. Jussie Smollett)

Empire Cast

Oh,
Oh oh oh,
Oh oh
I give you all of me
But it still ain't enough to make you happy
I give you everything
Still don't measure up
Feel like I walk 5, 000 miles, didn't even come close
Feels like I try to make you smile, but you don't even care no
I'll never be big enough to pay your dues, but I keep trying
You just keep making me jump through hoops
What do I got to do
I just want you to look at me
And see that I can be worth your love
I just want you to look at me
And see that I can be
Good enough, good enough, good enough
See that I can be
Good enough, good enough, good enough, good enoughOH.....I try to show you that I'm strong
Why do I even bother
Cause it's the same old damn song
You call yourself a father
Woah
Feels like I'm reaching for the stars
But heaven isn't letting me
I wish that I had longer arms
But I know that I will never be never be
I'll never be big enough to pay your dues but I keep trying
And you just keep making me jump through hoops
What do I got to do
I just want you to look at me
And see that I can be worth your love
I just want you to look at me
And see that I can be
Good enough, good enough, good enough
See that I can be, yeah
Good enough, good enough, good enough,
Good enough
(Look at me) I'm standing right here waiting for you here I am
(Look at me) Looking for your acceptance, do you give a damn
(Look at me) See it doesn't matter what you think, I'm still a man
(Look at me) Open up your eyes can't you see that I am good enough, woahI just want you to

look at me (Look at me)
I just want you to look at me
See that I can be
Good enough, good enough, good enough
I just wanna be yeah
Good enough, good enough, good enough
Good enough
