

# Simple Man

## Wale

Ayo I'm goin places, the all home lacin all occasions  
And Lord gave me amazing thinking in short paces  
Lay solo, forever flashy though I hate photos  
Day 4, make er smile and make er moan though  
Latent charmer but I'mma buy yo baby mama  
I hate to say it a later moment I didn't warn ya  
High roller, big spender  
And my intentions to keep her on the sack, keep your sack spliffer  
I'm that different, just got to react my adapters  
I gathered a couple hundred thousand, I can't remember  
They keep talkin and we keep winnin  
Another say completions and police chalk em  
Because of my bitch, the talkin is in her head, the streets will follow  
I come from a place where my agent lives to see tomorrow  
To eat your zone but each of them is known to still rob you  
So chances over count relater but know the CT college  
And those are the least of problems, I speak the goddess as I'm alright  
My visions funny, 0-20-20's my on sight  
Bad bitches with me, real niggas with me  
Whole ghetto with me mixin kettle with the simply  
Like the sweet English, find your peace baby  
I know the millions will get and come with a billion haters, yea  
Forgive, I'm a rider  
Sure I'm just a simple man  
All I want is money, fame  
I'm a simple man  
Lawwwwd You know that I'm a rider  
Tell em just a simple man  
All I want is money, fame  
I'm a simple man  
Lawwwwd  
I'm pickin the part, my wicked opponents  
Get in my zone  
Can join the soatie done cloned us  
Lookin it close, see the resorts and see a... a loner  
'Cause all of the shit givin me grief also be givin me shit  
Blow up a rap then and you black  
Be blowin your phone up  
Whenever you don't, usual homie hoe  
Adult from show cuz  
If you get that then roll out  
If you get that there's no luck

Every move you make they got left  
Every chick you like done got kids  
And forget that check my friends  
Every time you hip you need vet  
For each friend you got that MO  
I'm in a gang, livin with a deep bitch  
I'mma ball like small for a code uh  
Without the hate, where'd all the hate go?  
Pockets tinkle on my dick, make the same news  
I just came up, bitch you say I'm new  
Get it, been this my heart that gave me yo finger  
Forgive, I'm a rider  
Sure I'm just a simple man  
All I want is money, fame  
I'm a simple man  
LawwwwdYou know that I'm a rider  
Tell em just a simple man  
All I want is money, fame  
I'm a simple man  
LawwwwdForgive, I'm a rider  
Sure I'm just a simple man  
All I want is money, fame  
I'm a simple man  
LawwwwdYou know that I'm a rider  
Tell em just a simple man  
All I want is money, fame
