

# Water Me

Lizzo

I am free, yeah yeah  
Come water me, oh oh  
Love you so, but if you don't  
I have to leave, oh no  
I am free, yeah yeah  
Come water me, oh oh  
Love you so, but if you don't  
I have to leave, oh no It's high, I think I wanna kick off both of my socks  
I can feel it boilin' up in this pot  
[?] don't get fed, is you hungry or not?  
Like brr brr, operator  
Caboose like, choo choo, there's my trainer  
Thank God, thank God, thank God, I'm gettin' thicker  
[?] I'm sweatin' in the middle of the winter  
(Get up) I don't get dehydrated, I moisturize it daily  
I am my inspiration, I am my inspiration  
(Get up) But I love you, no limit, I need to know you in it  
If you got time, let's spend it I am free, yeah yeah  
Come water me, oh oh  
Love you so, but if you don't  
I have to leave, oh no  
I am free, yeah yeah  
Come water me, oh oh  
Love you so, but if you don't  
I have to leave, oh no  
I think I need a washrag, perspiratin'  
Gimme that sweet tea, you think I'm playin'  
I need it all night, no sleep  
You can get it in the kitchen if you sweatin' out the sheets  
Like brr brr, operator  
You got me like, hee hee, Mike Jackson  
Thank God, thank God, thank God, I'm gettin' thicker  
And I can make you boil up, baby, let it simmer (Get up) I don't get dehydrated, I moisturize it  
daily  
I am my inspiration, I am my inspiration  
(Get up) But I love you, no limit, I need to know you in it  
If you got time, let's spend it I am free, yeah yeah  
Come water me, oh oh  
Love you so, but if you don't  
I have to leave, oh no  
I am free, yeah yeah  
Come water me, oh oh

Love you so, but if you don't  
I have to leave, oh no I'm so pretty and so ditty and these boys be after kitty  
I just snap and pivot, uh huh, uh huh  
I'm so pretty and so ditty and these boys be after kitty  
I just snap and pivot, uh huh, uh huh (Get up) I don't get dehydrated, I moisturize it daily  
I am my inspiration, I am my inspiration  
(Get up) But I love you, no limit, I need to know you in it  
If you got time, let's spend it I am free, yeah yeah  
Come water me, oh oh  
Love you so, but if you don't  
I have to leave, oh no  
I am free, yeah yeah  
Come water me, oh oh  
Love you so, but if you don't  
I have to leave, oh no
