Then You Can Tell Me Goodbye

Eddy Arnold

(John D. Loudermilk)Kiss me each morning for a million years Hold me each evening by your side Tell me you love me for a million years If it don't work out, if it don't work out Then you can tell me goodbye. Sweeten my coffee with a morning kiss Soften my dreams with your sigh After you've loved me for a million years If it don't work out, if it don't work out Then you can tell me goodbye. If you must go I won't grieve If you'll just wait a lifetime before you leave But if you must go I won't say no Just so we can say that we try Tell me you love me for a million years If it don't work out, if it don't work out Then you can tell me goodbye. Then you can tell me goodbye... Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
