

# Painting Greys

Emmit Fenn

And I know  
Times like this you just take it slow  
Fall asleep in the pillows  
She got my heart in a choke hold  
And there she goes  
Heart that pounds like a stereo  
You take me round and round like the merry go  
But one more ride baby here we go  
And I know  
Times like this you just take it slow  
Fall asleep in the pillows  
She got my heart in a choke hold  
And there she goes  
Heart that pounds like a stereo  
You take me round and round like the merry go  
But one more ride baby here we go
