No Sleep (feat. Bonn)

Martin Garrix

Summer nights all align
As we drown in the moonlight
We collide in plain sightYeah, I know we'll be alrightAnd we come alive
We run the night with strangers
'Cause it's in the air and we're all familiar faces
We're young and wild, enjoy the ride, we made it
We made it
I don't need no sleep
'Cause I'm already dreaming, already dreaming
Say you'll never leave because I love the feeling
I love the feeling
Found myself awake at night
See you through my lucid eyes
Oh, I don't need no sleep
'Cause I'm already dreaming, already dreamingI don't need no sleep
'Cause I'm already dreaming
Already dreamingWide awake, no time to waste
Make a mark on my timeline
We're safe and sound, we come around
We are dancing, the sun down
And we come alive
We run the night with strangers
'Cause it's in the air and we're all familiar faces
We're young and wild, enjoy the ride, we made it
We made itI don't need no sleep
'Cause I'm already dreaming, already dreaming
Say you'll never leave because I love the feeling
I love the feeling
Found myself awake at night
See you through my lucid eyes
Oh, I don't need no sleep
'Cause I'm already dreaming, already dreamingOh, I don't need no sleep
'Cause I'm already dreaming
Already dreamingOh, I don't need no sleep
'Cause I'm already dreaming
Already dreaming
