Pay the twenty dollar hand (Hand)
It don't matter we gon' win (Win)
All day, flex up, no new flag
Bless up, they won't, don't forget dawg
God bless me, yuh (Yuh)

Let go, jumped out the whip (Ooh, ooh)
Feeling so wavy (Yeah)

Hands to the sky I'm like momma we made it
Unashamed with it that's every day (Ayy)
Got hit with death that's a heavyweight (Ayy)
He got up, told me to tell it straight (Ayy)
Peace prep I'm tryna educate (Woo, woo)
Tell 'em don't risk it (Woo)
God got our life and I'm hopin' you live it (Woo)
I've been outdriven (Woo)
Came with the sauce and these haters start givin'
No doubts me and my dawgs came here to devour
This ours, I got an army but trust in His power, yeah
Pay the twenty dollar hand (Hand)
It don't matter we gon' win (Win)
All day, flex up, no new flag
Bless up, they won't, don't forget

God dress me, yuh (Yuh)
Don't stress me, yuh (Yuh)
I'm in my bag, for the beginner I give you a clap (Ayy,
ayy)
Isn't he back? Bro just wait 'til you witness a jab (Uh
huh)

Our sinners was finished fast 'cause he got up in a flash
(Woo)
Reapers, rippers, slippin' dead, I can't do nothing but
last
Strong arm, yessir, life prolong, yessir
We done whole lot, just done, He so swell we rest up
He so, cheat code, way too weak for my ego
But He gone, swing low, on a chariot and carry me
home
Pay the twenty dollar hand
It don't matter we gon' win
All day, flex up, no new flag
Bless up, they won't, don't forget
God bless me, yuh (Yuh)
God flex me, yuh (Yuh)
God dress me, yuh (Yuh)
Don't stress me, yuh (Yuh)
God bless me, yuh (Yuh)
God flex me, yuh (Yuh)
God dress me, yuh (Yuh)
Don't stress me, yuh (Yuh)
