

# Where Do Broken Hearts Go

Whitney Houston

Ooh...  
I know it's been sometime  
I've had something on my mind  
You see I haven't been the same  
Since that cold November day  
We said we needed space  
But all we found was an empty place  
And the only things I've learned Is that I need you desperately  
So here I am, and can you please tell me, oh? Where do broken hearts go?  
Can they find their way home?  
Back to the open arms of a love that's waiting there  
And if somebody loves you  
Won't they always love you?  
I look in your eyes  
And I know that you still care for me  
Ooh...I've been around enough to know  
That dreams don't turn to gold  
And that there is no easy way  
No, you just can't run away  
And what we had was so much more  
Than we ever had before  
And no matter how I try  
You're always on my mind So here I am, and can you please tell me, oh?  
Where do broken hearts go? Can they find their way home?  
Back to the open arms of a love that's waiting there  
And if somebody loves you  
Won't they always love you?  
I look in your eyes  
And I know that you still care for me  
Now that I am here with you  
I'll never let you go I look into your eyes  
And now I know, now I know, oh  
Where do broken... hearts go?  
Can they find their way home? Back to the open arms of a love that's waiting there  
And if somebody loves you  
Won't they always love you?  
I look in your eyes And I know that you still care  
Where do broken hearts go?  
Can they find their way home?  
Back to the open arms of a love that's waiting there  
And if somebody loves you  
Won't they always love you?

I look in your eyes  
And I know that you still care for me  
For me...  
You still care  
For me
