

# Pretty Baby

Vanessa Carlton

You light me up and then I fall for you  
You lay me down and then I call for you  
Stumbling on reasons that are far and few  
I'd let it all come down and then some for you Pretty baby, don't you leave me  
I have been saving smiles for you  
Pretty baby, why can't you see  
You're the one that I belong to  
I'll be the embrace that keeps you warm  
For you're the sun that breaks the storm  
I'll be alright and I'll sleep sound  
As long as you keep comin' round, oh pretty baby  
And I know things can't last forever  
But there are lessons that you'll never learn  
Oh, just the scent of you, it makes me hurt  
So how's it you that makes me better Pretty baby, don't you leave me  
I have been saving smiles for you  
Pretty baby, why can't you see  
You're the one that I belong to  
I'll be the embrace that keeps you warm  
For you're the sun that breaks the storm  
I'll be alright and I'll sleep sound  
As long as you keep comin' Why can't you hold me and never let go  
When you touch me, it is me that you own  
Pretty baby, oh the place that you hold in my heart  
Would you break it apart again, oh pretty baby  
Pretty baby, don't you leave me  
I have been saving smiles for you  
Pretty baby, why can't you see  
You're the one that I belong to  
I'll be the embrace that keeps you warm  
For you're the sun that breaks the storm  
I'll be alright and I'll sleep sound  
As long as you keep comin' round Pretty baby, why can't you see  
Pretty baby, don't you leave me  
Pretty baby, why can't you see  
Pretty baby, don't you leave me  
Oh pretty baby, my pretty baby, my pretty baby  
Don't you leave me
