

Milk of Regret

Otep

Was I just your surrogate?
Was I your revenge?
Was I just your surrogate?
Was I just revenge?
I... have... no regrets... yet
I... have... no regrets... You'll wish we never took this ride...
You make me do this, you make me do this, you make me...
I wish I was afraid of suicide,
long ago before I died
We should never be this high
I wish I was afraid of suicide
Once was I... made of glass,
long ago, before I cracked...
Once was I... made of glass,
long ago... before I cracked...
you made me do THIS I just can't forget
the blood,
the stitches,
the bite marks,
the kisses,
the glass memories reflecting back
the suffocating black,
ill milk of regret
Just smile and pretend,
it never mattered it anyway
Smile and pretend,
we never mattered anyway
You'll wish we never took this. I'm starving,
I'm starving...
I'm starving for affection
Your heart is made of ash
And you were just a face to me,
a sacrificial lamb
Rejection, Revenge
Deception, Damaged
I might be going down in flames,
but you will burn with me
You'll wish we never took this RIDE! I just can't forget
the blood,
the stitches,
the bite marks,
the kisses,

the glass memories reflecting back
the suffocating black,
ill milk of regret
Just smile and pretend,
we never mattered anyway.no one will knowThis is the perfect place
to hide the crime and burn the remains...
I was so naive
I refused to feed
Waiting for you to notice me
I was so naive
I refused to feed
Waiting for you...LIKE A LOVESICK ANOREXICI just can't forget
the love you twisted
the lies you enlisted
To kill us quietly and beat me down
I hope you drown in this shit milk of regret
I WON'T F**KING FORGETI'll hope you drown while you're world is burning down
I'll hope you drown while you're world is burning down...the whole world is burning
...your whole world is burning
...your whole world is burning
...your whole world is burning down
