

Next Year Baby

Jamie Cullum

Next Year,
Things are gonna change,
Gonna drink less beer
And start all over again
Gonna read more books
Gonna keep up with the news
Gonna learn how to cook
And spend less money on shoes
Pay my bills on time
File my mail away, everyday
Only drink the finest wine
And call my Gran every Sunday

Resolutions

Well Baby they come and go
Will I do any of these things?
The answers probably no
But if there's one thing, I must do,
Despite my greatest fears
I'm gonna say to you
How I've felt all of these years
Next Year, Next Year, Next Year
I gonna tell you, how I feel
Well, resolutions
Baby they come and go
Will I do any of these things?
The answers probably no
But if there's one thing, I must do,
Despite my greatest fears
I'm gonna say to you
How I've felt all of these years
Next Year, Next Year, Next Year
