

# Easy

## Seinabo Sey

Shoulder to shoulder  
I know it could be easy, yeah  
Now keep your head up, talk to me,  
I know it could be easy, yeah.  
What would the world be if we let it be just fine,  
what would a smile be if not a tear sometime. Sister, sister,  
I know it could be easy, yeah.  
Now keep your head up, talk to me,  
I know it could be easy, yeah.  
What would the world be if we let it be just fine,  
what would a smile be if not a tear sometime. I'd rather fail on turf  
and call it a lesson learned.  
I'd rather fail on my turf  
than follow you and you burn.  
I'd rather fail on turf  
and call it a lesson learned.  
I'd rather fail on my turf  
than follow you and you burn. Shoulder to shoulder  
I know it could be easy, yeah  
Now keep your head up, talk to me,  
I know it could be easy, yeah.  
What would the world be if we let it be just fine,  
what would a smile be if not a tear sometime. Mother, mother,  
I know it could be easy, yeah.  
Now keep your head up, talk to me,  
I know it could be easy, yeah.  
What would the world be if we let it be just fine,  
what would a smile be if not a tear sometime.  
I'd rather fail on turf  
and call it a lesson learned.  
I'd rather fail on my turf  
than follow you and you burn. I'd rather fail on turf  
and call it a lesson learned.  
I'd rather fail on my turf  
than follow you and you burn. I'd rather fail on turf  
and call it a lesson learned.  
I'd rather fail on my turf  
than follow you and you burn.
