

All My Life

Bush

Watch your back as life comes over you
Choose your weapon before you have to
You disappear in a sea of danger
If you're going, baby, go faster
I've seen you dance
I've seen you dance through the radio
For gold again
You're going for gold again
All my life I have waited for this moment
All my life, tonight, tonight
Touch the sky because now we are weightless
Floating out into empty spaces
We are faceless, we are soldiers
We believe what you told us
I've seen you dance
I've seen you dance through the radio
All my life I have waited for this moment
All my life, tonight
All my life I have waited for this moment
All my life, tonight
And I lose myself in you
And I lose myself in you
All my life I have waited for this moment
All my life, tonight
We're running out of time, we've got to get this right
Here we are, here we are tonight ocean-sized
All my life, tonight, ocean-sized
All my life, tonight, ocean-sized
Ocean-sized, ocean-sized, ocean-sized
