All My Life

Bush

Watch your back as life comes over you Choose your weapon before you have to You disappear in a sea of danger If you're going, baby, go faster I've seen you dance I've seen you dance through the radio For gold again You're going for gold again All my life I have waited for this moment All my life, tonight, tonight Touch the sky because now we are weightless Floating out into empty spaces We are faceless, we are soldiers We believe what you told us I've seen you dance I've seen you dance through the radio All my life I have waited for this moment All my life, tonight All my life I have waited for this moment All my life, tonight And I lose myself in you And I lose myself in you All my life I have waited for this moment All my life, tonight We're running out of time, we've got to get this right Here we are, here we are tonight ocean-sized All my life, tonight, ocean-sized All my life, tonight, ocean-sized Ocean-sized, ocean-sized Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
