

# Woman's World

Cher

I'm dancin' solo  
In the dark on the club floor  
I need to let it go  
Shake it off stop thinkin' 'bout you I lose myself in the beat of the drum  
Tryin' try-tryin' to forget what you done done  
But honey this is a battle that you haven't won Torn up, busted, taken apart  
I've been broken down  
Left with a broken heart  
But I'm stronger  
Strong enough to rise above  
This is a woman's world  
This is a woman's world  
Tell the truth  
This is a woman's world  
Tell the truth  
This is a woman's world Tell I'm stronger  
Strong enough to rise above  
This is a woman's world  
This is a woman's world Love hurts and your lies, they cut me  
But now your words don't mean a thing  
I don't give a damn if you ever love me 'Cause it don't matter I'm movin' on  
Go-gonna lose myself in the beat of the drum  
'Cause honey this is a battle that you haven't won  
Torn up, busted, taken apart  
I've been broken down  
Left with a broken heart  
But I'm stronger  
Strong enough to rise above  
This is a woman's world  
This is a woman's world Tell the truth  
This is a woman's world  
Tell the truth  
This is a woman's world Tell I'm stronger  
Strong enough to rise above  
This is a woman's world  
This is a woman's world Tell the truth  
This is a woman's world  
Tell the truth  
This is a woman's world Tell I'm stronger  
Strong enough to rise above  
This is a woman's world  
This is a woman's world All the women in the world

Stand up come together now  
This is a woman's world  
Everybody in the club  
Stand up come together now  
This is a woman's worldAll the women in the world  
Stand up come together now  
This is a woman's world  
Everybody in the club  
Stand up come together now  
This is a woman's worldTell the truth  
This is a woman's world  
Tell the truth  
This is a woman's worldTell I'm stronger  
Strong enough to rise above  
This is a woman's world  
This is a woman's worldTell the truth  
This is a woman's world  
Tell the truth  
This is a woman's worldTell I'm stronger  
Strong enough to rise above  
This is a woman's world  
This is a woman's worldTell the truth  
This is a woman's world  
Tell the truth  
This is a woman's worldTell I'm stronger  
Strong enough to rise above  
This is a woman's world  
This is a woman's world.
